Mr M Fear

03 September 2009

Dear Mr Fear

THANK YOU FOR YOUR DONATION

On behalf of the Leukaemia and Intensive Chemotherapy Fund I am writing to thank you so much for your generous donation of £594.30 towards LINC. I understand that this donation is support for the treatment of Craig Bond and we can assure you that the donation will go towards helping other patients like Craig.

The money raised will go towards the LINC Jenner Appeal to redesign, refurbish and extend the Edward Jenner Unit at Gloucester Royal Hospital there by creating a dedicated haematology day unit facility for the administration of chemotherapy, supportive treatment and blood transfusion for cancer patients in Gloucestershire. The extra space at Gloucester Royal will mean that more patients will be able to be treated at Cheltenham General benefiting a large number of people.

Thank you so much for your support we really appreciate you.

Kind regards
